NOTES:

1. Before accepting a student, an assessment and/or trial day are requested for which an assessment fee applies.
2. Upon Registration the Registration Fee and Deposit are payable.
3. The resources fee is charged on the first invoice of each Academic Year. Resources fees include and are not limited to insurance for each student, all the books, the notebooks, license registration in several educational programs used and in general all the consumables and supplies the students will need in their academic year.
4. Tuition Fees can be paid monthly, termly or annually. See below **payment of fees** section for discounts applied on term and annual payments.
5. Tuition and other fees are reviewed annually. Any possible increment on the Tuition Fees has a cap of 5% on the fees of each academic year and up to 10% under unusual circumstances.
6. Sibling Discount: 5% - applies from the 2nd sibling onwards. See **payment of fees** below for discount combinations.
7. Bus-trip charges specifically cover transportation expenses. Any additional costs associated with the trip, such as entrance fees and meals, must be paid separately.
8. By joining the Lighthouse School, the parents/guardians accept the obligation to pay full school fees for the entire academic year regardless if for any reason a student discontinues attendance. Any outstanding fees upon a student's departure, regardless of departure date, must be settled in full. If a student has paid their fees in advance and subsequently leaves the school, no refunds will be provided. Please note that a student's departure does not reduce the school's ongoing operational expenses.
9. A Late Payment Penalty Fee for €50 per every period of 15 days applies if the payment is not made by the applicable installment deadline.
10. Re-registration in the subsequent academic year will be accepted only once the due fees and other financial obligations have been settled. On re-registration, deposit is rolled forward to the new Academic Year. If no deposit was paid in the current Academic Year (under an annual fee payment,) the deposit will be required to re-register and can be deducted from the annual fees of the next Academic Year.
